WILSON THE MAN NEEDED

William Jennings Bryan, who was the master spirit in the Baltimore Democratic Convention and who more than any other man brought about the nomination of Woodrow Wilson for the Presidency, is now devoting his great talents to the interest of Governor Wilson's candidacy. With tongue and pen he is reaching thousands every week, and his utterances are commanding the respectful and convincing attention of the great mass of American voters.

The following tribute to "Wilson the Man Needed" is reproduced from one of Mr. Bryan's recent syndicated letters:

"Governor Wilson has shown himself to be worthy to lead the great fight for lower taxes. In his discussions of the subject he has taken the side of the people as against those who have been preying upon them, and he has given conclusive proof of his earnestness in his opposition to the nomination of ex-Senator Smith, who, when in the Senate two decades ago, was instrumental in preventing the reduction of the tariff which the people then demanded.

"The people need as President a man with intelligence enough to understand public questions—and Governor Wilson possesses that intelligence. The people need more than intelligence in the White House; they need a man whose sympathies are with the whole people rather than with a few of the people—and Governor Wilson has shown that his sympathies are on the side of the people.

"But what the people need most in the White House is a man who has the courage to take the people's side in spite of the tremendous pressure that the special interests can bring to bear upon a President—special interests which have coerced both Mr. Taft and Mr. Roosevelt into submission to their will. Governor Wilson has proved the possession of the moral courage necessary in a President."

Wilson Club Contributions

The Wilson and Marshall Club of Rockbridge has raised \$1,450 to the present. The number of contributors is 236, an average of \$6.15 each. One contribution was received from Dr. J. E. Rawlings of Daytona, Fla., formerly of Raphine, Va., who saw the report of Rockbridge's contribution in the Baltimore Sun.

One thousand Democrats voted in Rockbridge in the Presidential election four years ago. Not one-fourth of these have made contributions so far. Should these others come in with their "dollar contributions," the cause of Wilson would be greatly helped. Send all contributions to Mr. T. S. Burwell, treasurer of the club, Lexington.

Receptions to Students and Cadets

Receptions were held last Friday evening by the Presbyterian and Methodist congregations in honor of the students and cadets of the two institutions whose preferences are for these churches. Many representatives from the institutions were present. Light refreshments were served, and the Sunday school rooms at both churches were decorated for the occasions.

Both entertainments were informal. At the Methodist church a program of instrumental and vocal music was presented, and a word of welcome by the pastor, Rev. William F. Locke.
